To Whom It May Concern,

The Public Education Employee Retirement System of Missouri (PEERS) is a 401(a) governmental defined benefit program under the Internal Revenue Code. For the purchase or reinstatement of service, we can accept rollovers from other 401(a) qualified plans. Generally, this includes the following:

- A 401(a) tax qualified plan, including a Keogh plan which meets additional requirements pertaining to owner-employees
- A 403(a) qualified annuity plan
- A 408(a) individual retirement account or a 408(b) individual retirement annuity, to the extent that the IRA contains funds that have not been previously taxed
- A 403(b) qualified plan
- All state and local government 457(b) deferred compensation plans
- Any other plans or accounts that may be authorized as a source of eligible funds under the Internal Revenue Code, provided PEERS shall not be obligated to accept any funds from any such authorized plan or account if the funds would jeopardize the tax-qualified status of PEERS
- The member, if the amount was distributed to the member from a qualified plan and is rolled over by the member to PEERS within 60 days of that distribution, and if the member's check is accompanied by proof of rollover eligibility

In addition, we can accept in-service trustee-to-trustee transfers from 403(b) and governmental 457 plans for the purchase or reinstatement of service.

**Upon receipt in this office of the *Rollover/Transfer Certification Form* and a valid purchase or reinstatement application from the member**, we can accept qualified funds as payment for the purchase or reinstatement of eligible service with this retirement system. **IRS guidelines do not allow us to accept funds in excess of the balance due.** Any amount received in excess of the balance due will be returned to the financial institution. Please make checks payable to *PEERS of Missouri*.
