Together, PSRS and PEERS are one of the 50 largest defined benefit plans in the United States with approximately \$62.8 billion in assets.

## **II. Scope of Services**

In connection with the 2026 election to the Board of Trustees of the Public School Retirement System of Missouri (PSRS) and the Public Education Employee Retirement System of Missouri (PEERS), as specified in the attached statutory provision and policy of the Board, PSRS/PEERS is seeking an election administrator to provide the following services:

1. Contract with qualified vendors for the printing of mailing envelopes, election ballots with appropriate security measures, background candidate information sheets and instructions on election procedures as provided by PSRS/PEERS, and business reply return envelopes. The total number of ballots is estimated to be between 235,000 and 245,000. All procedures to certify candidates prior to the ballot printing will be performed by PSRS/PEERS. Certification will be completed by March 6, 2026.
2. Affix addresses provided by PSRS/PEERS to ballot envelopes and mail ballots to eligible voters on April 23, 2026. A signed confidentiality agreement will be required. First-class postage is to be provided by the election administrator. No postage for return of voted paper ballots is required.
3. Act as receiving agent for all votes cast and for returned and/or completed paper ballots.
4. Provide eligible voters with the choice to vote by paper ballot, telephone or Internet with proper security to allow only one ballot/vote per eligible member.
5. Verify and tally returned paper ballots and votes made by telephone or Internet.
6. Certify and report election results to PSRS/PEERS Board of Trustees after June 15, 2026.

### **Election Ballot**

1. A ballot for the election of two candidates, one of whom must be a member of The Public School Retirement System of Missouri (PSRS), and the other must be a member of The Public Education Employees Retirement System of Missouri (PEERS) to the Board of Trustees shall be distributed through the United States Postal Service on April 23, 2026 to each eligible voter at his or her home address of record with PSRS or PEERS. An eligible voter shall be a member or retiree of PSRS or PEERS.
2. The ballot, which will allow the election of two candidates---one from PSRS and one from PEERS, will include instructions for marking and returning the ballot, or for voting by telephone or Internet as well as a short biography for each candidate and a return envelope.
3. Completed paper ballots must be returned through the United States Postal Service.
4. No ballots are to be reissued. If the original paper ballot is returned by the United States Postal Service, it may be re-mailed if requested by the member.

5. All votes must be received by the election administrator before the close of business on May 22, 2026. Or, if using a paper ballot, ballot must be postmarked on or before May 22, 2026.
