Fact Sheet

Working After Retirement at PEERS-Covered Employers

Limit on Hours

- Your hours are limited when working for PEERS-covered employers. If you retired in a previous school year, or in July of the current school year, you are limited to a maximum of 550 hours total at all covered employers.
- A school year is July 1 – June 30.
- If you retire in any month other than July, the 550-hour limit is applied on a pro-rated basis for the rest of that school year. Your personal limit is shown on the *Working After Retirement Record* form on the reverse side, and noted in the enclosed letter. The pro-rated limit applies only during the year in which you retire. When the new school year begins July 1, the limit is then increased to the full 550 hours.
- All hours necessary to complete the requirements of your position count toward the 550-hour limit.
- Hours you spend volunteering for an employer for which you also work may count toward the limit if your duties are similar.
- If you teach at a PEERS-covered public two-year college, you must convert your credit hours taught to clock hours in order to accurately track your hours worked. The conversion is one credit hour equals 30 clock hours.
- Work for employers outside of PEERS is unlimited.

Tracking Your Work

- You must track your hours at each covered employer for which you work. Use the *Working After Retirement Record* form on the reverse side to do so. PEERS can request these records at any time.
- Your employer also tracks your hours. Check with your employer regularly to ensure your records are accurate and consistent. In the event of a discrepancy between your and your employer's records, PEERS will consider your employer's records to be official.

Forfeiting Benefits

- You forfeit your benefits effective the month you exceed the limit and until the month following the date your employment ends or a new school year begins on July 1.
- If you exceed the limit or return to work full-time, contact PEERS immediately. If your employment qualifies, you will be required to establish a new membership.
- You must repay benefits you receive while ineligible due to your employment status. If you exceed the 550-hour limit by any amount, you forfeit a minimum of one full monthly benefit.

Don't risk losing your benefits! Please familiarize yourself with the rules and requirements discussed here, and described in more detail in your *Retirement Planning Guide*, the *PEERS Member Handbook* and online at www.psr-speers.org.

PRO-RATED LIMIT ON HOURS DURING FIRST SCHOOL YEAR AFTER RETIREMENT

If a member retires in any month other than July, the 550-hour limit is applied on a pro-rated basis for the rest of that school year. For example, if retirement is effective January 1, PEERS-covered employment may begin on February 1, but is limited to 275 hours through June 30. The pro-rated limit applies only during the year in which the member retires. When the new school year begins July 1, the limit is then increased to the full 550 hours.

The **working after retirement limit** is applied on a pro-rated basis as shown below during the school year in which retirement is effective.

EFFECTIVE RETIREMENT DATE	MAXIMUM HOURS ALLOWED FOR SCHOOL YEAR
July 1	550
August 1	504
September 1	458
October 1	413
November 1	367
December 1	321
January 1	275
February 1	229
March 1	183
April 1	138
May 1	92
June 1	0

Working after retirement limitations and requirements are defined in Missouri law and Code of State Regulations. Retirement benefits paid while a member is ineligible due to employment status must be repaid to PEERS.
