Legal Disclaimer

This brochure explains your rights, benefits and responsibilities as a member of the Public Education Employee Retirement System of Missouri (PEERS). It is intended to serve as a ready source of information about the System and not as a legal document or a substitute for the law. If differences appear between the law and the brochure, the law must prevail.

The System is governed by the laws found in Chapter 169, Revised Statutes of Missouri, and the Missouri Code of State Regulations (CSR) Title 16, Division 10.

Similarly, the law takes precedence over any oral statements made by a representative of PEERS regarding your rights, benefits and responsibilities as a PEERS member.

How We Help Fund Your Retirement

Your contributions, your employer’s contributions and the investment returns PEERS earns by investing those contributions all help fund your secure retirement future.

Approximately 60¢ of every dollar paid to retirees is generated from investment earnings.

20-Year Average

Note: The 21¢ includes member contributions and service purchases. Your contributions, your employer’s contributions and the investment returns PEERS earns by investing those contributions all help fund your secure retirement future. Approximately 60¢ of every dollar paid to retirees is generated from investment earnings.

Beneficiary Facts:

• A sole, individual beneficiary is eligible to receive lifetime monthly benefits, which can be more advantageous than a lump-sum refund of your contributions and interest.
• Keep your beneficiary designations up-to-date so any benefits are paid according to your wishes.
• If you have a life-changing event, such as a marriage, birth of a child or a divorce, you must file a new beneficiary designation or beneficiaries are determined by Missouri law.

Other Membership Advantages

• Disability Benefits: If you develop an illness or sustain an injury that prevents you from working in any capacity, you may be eligible for PEERS disability benefits.
• Service Purchases: All members are eligible to purchase some type of service with PEERS before retirement. Purchasing additional service can help you achieve a higher benefit or reach retirement eligibility sooner.
• COLAs: Cost-of-living adjustments are given on service and disability retirement benefits when eligibility and economic requirements are met.

Retirement is in Your Future – But When?

After 30 years of service under normal retirement, your PEERS benefit will replace approximately 50% of your pre-retirement income.

Your membership begins right now, but when can you retire? You are eligible to retire with full, or normal, benefits at:

• Age 60 with at least five years of service
• Any age with at least 30 years of service
• Rule of 80: when the sum of your age and years of service equals 80 or more

Early retirement options are also available, but benefits under these options are reduced.

• PEERS retirement benefits are paid for life, no matter how long you live.
• Every dollar you contribute plus interest is returned to you or a loved one in the form of a monthly benefit or a lump-sum payment.
• Financial protection is available for your loved ones in the event of your death, both before and after you retire.

What You Should Know Right Now

• PEERS membership is required by law for eligible non-certificated employees of PEERS-covered employers.
• Retirement contributions are deducted from your salary and paid to us by your employer each pay period. Your employer contributes an equal amount.
• Once you have five years of qualified service with PEERS, you are vested and can receive lifetime retirement benefits when you are eligible.
• PEERS is not like a 401(k), 403(b), 457(b) or IRA. Instead, your benefits are based on a formula set by law, and not limited to how much you pay in (usually, you get more).
