Working After Retirement Fact Sheet

About Work Limits

- To avoid potential loss of your benefits, you must stay within the statutory limits on post-retirement work.
- If you retire in a month other than July, your limit(s) are pro-rated for the rest of that school year.
- Your personal limits are shown on the ***Working After Retirement Record*** form on the reverse, and in the enclosed letter.

Work Subject to Limits on Hours and Salary

- Part-time or temporary-substitute work in a DESE-certificated position(s) for a PSRS-covered K-12 school district/employer(s)
- Part-time or temporary-substitute work in any position(s) for a PSRS-covered public two-year (community) college
- Work for a third-party provider, or as an independent contractor, providing services at a PSRS-covered K-12 school district as a substitute teacher or in any other position normally requiring a DESE-issued certificate

Hours and Salary Limits

- **You can work up to a total of 550 hours each school year (July 1 to June 30) in all positions subject to the limits.**
- **You can earn up to a total of 50% of the annual compensation payable under the employer's salary schedule for the position(s) given your level of work experience and education, each school year.**
- All hours necessary to meet the requirements of your position count toward the 550-hour limit.
- Hours you spend volunteering for an employer for which you also work may count toward the hourly limit unless your duties are significantly different.
- Any health, dental or vision insurance premiums paid for you by your employer, or any other payment or incentive received as a result of this employment, are included in your salary and count against the salary limit.
- If you work in more than one limited position directly for a covered K-12 employer(s), your salary limit is based on the annual salary of the highest paid position in which you work at least 20% of your total hours during the school year.

Work Subject to Only a Salary Limit

- Part-time or full-time work in a non-DESE-certificated position(s) for a PSRS-covered K-12 school district/employer(s)

Salary Limit

- You can earn up to a total of \$32,558.40 during the 2026-2027 school year (July 1 to June 30) in all positions subject to the limit.
- Any health, dental or vision insurance premiums paid for you by your employer, or any other payment or incentive received as a result of this employment, are included in your salary and count against the limit. **Note:** If, during the same school year, you also work for the same employer in a position subject to hourly and salary limits as discussed above, you will need to confirm with your employer which salary limit health insurance premiums will count toward.

Forfeiting Benefits

- If you exceed a limit, contact PSRS immediately. If your employment qualifies, you are required to establish a new membership.
- **If you exceed the limit, you must repay to PSRS the amount earned in excess of the limit, or the entire amount of your monthly benefit for any month during which the limit is exceeded, whichever is less.**

2026-2027 PRO-RATED SALARY LIMITS DURING FIRST SCHOOL YEAR AFTER RETIREMENT

Use for PSRS Retirees Working Under a Salary Limit Only

If a member retires in any month other than July, the salary limit is applied on a pro-rated basis for the rest of that school year. For example, if retirement is effective Jan. 1, employment in a non-certificated position may begin on Feb. 1, but salary earned is limited to \$15,678.00 through June 30. The pro-rated limit applies only during the year in which the member retires. When the new school year begins July 1, the limit increases to the full amount for that year.

EFFECTIVE RETIREMENT DATE	MAXIMUM SALARY ALLOWED FOR SCHOOL YEAR
July 1	\$32,558.40
Aug.1	\$29,865.60
Sept. 1	\$27,172.80
Oct. 1	\$24,480.00
Nov. 1	\$21,787.20
Dec. 1	\$19,094.40
Jan. 1	\$16,401.60
Feb. 1	\$13,464.00
March 1	\$10,771.20
April 1	\$8,078.40
May 1	\$5,385.60

Working after retirement limitations and requirements are defined in Missouri law and Code of State Regulations. Retirees who exceed a limit must repay to PSRS either the amount earned over the limit or the entire amount of their monthly benefit for each month they went over the limit, whichever is less.
