PUBLIC EDUCATION EMPLOYEE RETIREMENT SYSTEM OF MISSOURI (PEERS)-COVERED EMPLOYMENT PURCHASE

Q. How is the cost to purchase service for PEERS-covered employment calculated?

A. The cost of PEERS-covered employment is calculated by multiplying your highest Public School Retirement System of Missouri (PSRS) salary by the current contribution rate and by the years of service you wish to purchase. Your cost will be offset by a transfer of the PEERS employer contributions to PSRS, not to exceed 50% of your purchase cost.

The cost of any remaining service for which you have applied but not yet paid is recalculated each October 1 using your highest PSRS salary and the current contribution rate.

Q. Am I eligible to purchase PEERS-covered employment?

A. Yes, if:

- You have acquired service with PEERS-covered employers and have forfeited the service by taking a refund of your contributions and interest.
- You have at least one year of PSRS service.
- You returned to PSRS-covered employment after your PEERS service.
- You do not have service with any other retirement system (except Social Security).

Q. Will the purchase of PEERS-covered employment count toward vesting my PSRS membership?

A. Yes.

Q. How much PEERS-covered employment can I purchase?

A. You can purchase any or all of your PEERS-covered employment, provided that you have earned equivalent service for PSRS-covered employment at the time of your retirement.

You can purchase service in increments as small as one, one hundred thousandth (0.00001) of a year. Multiple applications are allowed. In most cases, the total of all service purchased with PSRS cannot exceed the total service you have earned at termination of membership by retirement, death, refund or absence from covered employment if not vested.

Q. How can I pay for PEERS-covered employment?

A. You can pay by personal check, cashier's check or money order made payable to *PSRS of Missouri*. You can also pay using an eligible rollover distribution or in-service trustee-to-trustee transfer. Please see the *Rollover/Transfer Certification Information Sheet* for details. You cannot pay through payroll deduction.

Purchase funds and service will be applied to your membership upon receipt of payment. Payments for purchases of service will not be refunded. If you make partial payment and your membership ends, you will be granted proportional service.

Q. What is my payment deadline?

A. Payment for service must be received prior to your PSRS retirement date in order for it to be included in the calculation of your retirement benefit. The purchase application remains open until it is paid in full or your membership ends due to retirement, death, refund or absence from covered employment if not vested.
