FILING FOR SERVICE RETIREMENT

- Step 1 Complete and return your *Service Retirement Application*.**
 - **All five pages of the application must be returned** to the Public School Retirement System of Missouri (PSRS) **prior to your PSRS retirement date.**
 - We recommend that you file the application three to 12 months prior to your PSRS retirement date. This will give us adequate time to review your membership and allow you adequate time to complete your paperwork so your benefits are not delayed.

- Step 2 Complete and return the *Partial Lump Sum Option (PLSO) Distribution Election form* only if you are eligible and choosing PLSO. This form is available on our website or by contacting our office.**

- Step 3 Submit proof documents.**

Please make sure copies are readable.

 - A copy of your birth certificate, issued by the city, county or state of birth (unless already submitted)
 - A copy of your beneficiary's birth certificate issued by the city, county or state of birth (unless already submitted) if you choose a Joint-and-Survivor plan
 - A copy of your marriage license/certificate if you choose a Joint-and-Survivor plan and name your spouse as your beneficiary

- Step 4 Complete and return the *Direct Deposit Authorization form* with a voided check.**

- Step 5 Download the IRS Form W-4P from www.psr-peers.org/W4P. Complete it and submit it with the *Missouri Tax Withholding Authorization form*, included in this packet. Contact the appropriate taxing agency or a tax specialist if you have questions about your tax liabilities or tax withholding.**

- Step 6 Complete and return the *\$5,000 Death Benefit Beneficiary Designation form*.**

IMPORTANT REMINDERS

Your *Service Retirement Application* must be filed prior to your retirement date. Benefits are not paid retroactively.

Purchases and reinstatements of service must be paid in full prior to your PSRS retirement date. Failure to complete payment on time will cause you to lose benefits or retire without the purchased/reinstated service.

Proper Termination of Employment: You must terminate all employment with all PSRS-covered employers, and all employment for third-party providers or as an independent contractor in a temporary or long-term substitute teacher position, or in any position that normally requires a DESE-issued certificate if the employment is performed at a PSRS-covered school district, prior to your PSRS retirement date. You cannot return to, or be under contract for, the types of employment outlined here in any capacity for a period of one month after your PSRS retirement date. Benefits that you are not eligible to receive must be returned to PSRS.

Receipt of your *Service Retirement Application* will be acknowledged by PSRS. Please call us if you have any questions or do not receive acknowledgement of your application within two weeks of submission or prior to your PSRS retirement date.

SECTION D BENEFIT PLAN AND BENEFICIARY DESIGNATION

You must choose one of the six plans. Please make your choice by placing an "X" in the box that corresponds to the plan you wish to choose. List beneficiaries only for the benefit plan you choose.

Benefit Plan Descriptions

PSRS offers six benefit plans for monthly benefits. Under all plans, you will receive a lifetime monthly benefit. The benefit plan you choose cannot be changed after your PSRS retirement date.

Single Life Plan:

Provides the largest lifetime monthly benefit to you with no continuing monthly benefits to a beneficiary after your death. Any unused balance of contributions and interest in your membership at your death is paid in a lump sum to your beneficiary(ies).

Joint-and-Survivor Plans:

Provide a reduced lifetime monthly benefit to you with all or some of your benefit continuing for the lifetime of your beneficiary after your death. If your beneficiary dies before you, or if that beneficiary is your spouse and you divorce, your monthly benefit may increase or "pop-up" to the amount payable if you had chosen the Single Life plan adjusted for any increases granted since your retirement date.

Term-Certain Plans:

Provide a reduced lifetime monthly benefit to you and provide limited coverage to your beneficiary for a specific period of time after your PSRS retirement date. The beneficiary receives monthly benefits only if your death occurs within the term chosen. If you die before you receive the minimum number of monthly payments guaranteed under the plan you choose (120-month or 60-month terms), the remaining payments in the term are made to your beneficiary. If the beneficiary named at retirement is your spouse and you divorce, you may apply for your benefit to increase or "pop-up" to the amount payable if you had chosen the Single Life plan adjusted for any increases granted since your retirement date.

Beneficiary Designation

List beneficiaries for the benefit plan you choose. The beneficiary designation made on this application becomes effective on your PSRS retirement date as indicated on this application. If you need additional space to name beneficiaries, you may include a dated attachment, which bears your signature. If you wish to change your beneficiary designation applicable to your membership before your retirement date, the *Pre-Retirement Beneficiary Designation* form must be completed. Please contact our office or download this form from our website.

Partial Lump Sum Option (PLSO)

If you choose the Partial Lump Sum Option (PLSO) under Section E of this application, you still must choose one of the six monthly benefit plans. The PLSO allows qualified members to choose actuarially reduced lifetime monthly benefits in exchange for a one-time, lump-sum payment at retirement. The lump-sum payment can be equal to 12, 24 or 36 times your Single Life benefit amount.

Single Life Plan

Place an "X" here to choose the **Single Life Plan**.

If you choose the Single Life plan, complete the beneficiary section on this page only.

Beneficiary Designation for Lump-Sum Payment of Contributions and Interest. You may name any person(s), legal entity(ies), your trust or estate as your Primary Beneficiary(ies) to receive any remaining contributions and interest and, if necessary, final monthly payment due after your death. You may name multiple beneficiaries per line. Payment is made to your First Contingent Beneficiary(ies) only if you and your Primary Beneficiary(ies) are deceased. Your beneficiary(ies) can be changed at any time. If you do not have a valid beneficiary designation on file, any benefit due at your death will be paid in accordance with Missouri law.

Joint-and-Survivor 50%:

If you choose a Joint-and-Survivor plan, complete the beneficiary section on this page only.

NOTE: The beneficiary(ies) you designate for the Lump-Sum Payment must be different than your beneficiary for a Lifetime Monthly Benefit (above).

Beneficiary Designation for Joint-and-Survivor Plans

You may name one individual with insurable interest in your life to receive lifetime monthly payments after your death. A spouse, child or parent has automatic insurable interest. You must provide documentation of insurable interest for any other individual. If your beneficiary dies before you, or if that beneficiary is your spouse and you divorce, your benefit may increase or “pop-up” to the amount payable if you had chosen the Single Life benefit plan adjusted for any increases since your retirement.

After your PSRS retirement date, you can only change your Joint-and-Survivor beneficiary if you designate your spouse at retirement, your spouse dies or a divorce occurs, you remarry, **and** name your new spouse as your beneficiary within one year of the marriage. If these conditions are met, your new designation must be for the same plan chosen at retirement, and a recalculation of your benefit will occur based on your age and the age of your new spouse under the actuarial assumptions in effect at that time. In a divorce, your divorce decree must provide that you retain sole right to your retirement benefit. If you do not designate a new spouse, your former spouse remains as your beneficiary. If you designate someone other than your spouse as your Joint-and-Survivor beneficiary, you cannot change your beneficiary designation under any circumstances.

PLEASE READ THE MEMBER CERTIFICATION AND PROVIDE YOUR SIGNATURE ON PAGE 5.

SECTION F – MEMBER CERTIFICATION

Please read the following information carefully and indicate your agreement with the following statements by signing your full name in the space provided below. Failure to abide by the rules set forth in Missouri statutes and PSRS/PEERS Board regulations as outlined herein could jeopardize your retirement benefits.

I understand that I must properly terminate pre-retirement employment in order to be eligible to retire and receive PSRS retirement benefits. This includes work performed as:

- An employee for a PSRS covered school district; and
- An employee for third-party providers (such as staffing agencies) or as an independent contractor in a temporary or long-term substitute teacher position, or in any position that normally requires a DESE-issued certificate if the employment is performed at a PSRS-covered school district.

In order for my employment to be considered properly terminated I must:

1. End all employment in any capacity with all PSRS-covered employers prior to my PSRS retirement date.
2. End all employment for third-party providers (such as staffing agencies), or as an independent contractor, in a temporary or long-term substitute teacher position or in any position normally requiring a DESE-issued certificate if the employment is performed at a PSRS-covered school district prior to my PSRS retirement date.
3. Not return to the types of employment outlined above in any capacity for a period of one month after my PSRS retirement date, which includes volunteer work if I later become a paid employee with the same employer in the same, or a similar position, and
4. Not enter into any agreement, written or unwritten, for future employment in the above types of employment in any capacity until after receiving my first PSRS retirement benefit. This includes any type of early retirement incentive or separation agreement that requires me to work in any capacity after retirement in return for salary, including health insurance benefits.

After a proper termination, my employment after retirement for PSRS-covered employers is limited and must be tracked. If I exceed the limits, I will notify PSRS. My benefits may be stopped, and I must repay the amount I earned in excess of the limit, or the entire amount of my monthly benefit for any month during which the limit was exceeded, *whichever is less*.

I understand that if I violate these rules, I am not considered terminated, and I am not eligible to retire and receive benefits. In addition, I will repay any benefits received while ineligible including a Partial Lump Sum Option (PLSO) payment, and may be required to pay contributions on salary until I properly terminate my employment.

I understand that:

- I must file a ***Service Retirement Application*** with PSRS prior to my PSRS retirement date.
- The benefit plan I choose on this application is final on my retirement date and cannot be changed thereafter.
- My beneficiary designation on this application becomes effective on my retirement date.
- The beneficiary named to receive lifetime monthly benefits under a Joint-and-Survivor plan, if chosen, may only be changed as described on this application.

I certify that I have read and fully understand the above listed requirements and restrictions, and agree to abide by them. If married, my spouse is aware of the benefit plan chosen on this application. I further certify that all information I have provided on this *Service Retirement Application* is true and correct.

Completing IRS Form W-4P Frequently Asked Questions

Q: Where can I find IRS Form W-4P?

A: You can download IRS Form W-4P at <https://www.psrs-peers.org/w4p>. We cannot include the form in this online packet because the IRS does not allow us to merge their forms with ours.

Q: When do I need to submit IRS Form W-4P?

A: Submit IRS Form W-4P when:

- You apply for monthly benefits from PSRS/PEERS, or
- You want to change how much federal tax PSRS/PEERS withholds from your monthly benefits.

Q: What happens if I don't submit IRS Form W-4P?

A: It depends on whether you are applying for the first time or already receive benefits:

- If you're applying for monthly benefits for the first time and you don't submit Form W-4P: The IRS requires PSRS/PEERS to withhold federal income tax as if your filing status is single with no adjustments.
- If you already receive monthly benefits: Your current withholding election (or your default rate) stays the same until you submit a new IRS Form W-4P.

Q: Can I choose not to have federal income tax withheld?

A: If you are a U.S. citizen or resident alien and payments will be delivered within the U.S., you may elect no federal withholding. Federal withholding is generally required on payments delivered outside of the U.S. and to nonresident aliens.

Q: How do I know if I should have federal income tax withheld from my monthly benefits?

A: That depends on your personal financial situation. We recommend:

- Reviewing the instructions on Form W-4P,
- Using the IRS Tax Withholding Estimator at www.irs.gov/W4App, and/or
- Consulting a tax professional.

Q: Does Form W-4P apply to lump-sum payments?

A: No. Lump-sum or rollover distributions use Form W-4R, not W-4P.

Q: How do I request Missouri state income tax withholding from my monthly benefits?

A: Missouri withholding is voluntary and requires a separate form. To have Missouri tax withheld from your monthly benefits, submit the PSRS/PEERS *Missouri Tax Withholding Authorization for Monthly Benefits* form.

Q: What happens if I don't submit a Missouri withholding form?

A: PSRS/PEERS will not withhold Missouri state income tax unless you submit the Missouri form.

Q: How often can I change my withholding?

A: You can update your federal or Missouri withholding at any time by submitting the appropriate form.

MISSOURI TAX WITHHOLDING AUTHORIZATION FOR MONTHLY BENEFITS

Use this *Missouri Tax Withholding Authorization* form to authorize the Public School Retirement System of Missouri (PSRS) to withhold Missouri income tax from the taxable portion of your monthly benefits. Please note the following:

- Once you file an authorization, it remains in effect until you file another. However, if you move out of state, your Missouri tax withholding will automatically stop. You can start, stop or change withholding using this form or Missouri form W-4P.
- If your authorization is received by the 15th of the month, it will be processed for the payment issued on the last working day of that month. If you desire the change to be made at a later date, please indicate the effective date on this form.
- We cannot withhold Missouri income tax unless you reside within the state of Missouri and send to PSRS either a Missouri form W-4P or a PSRS form authorizing such withholding.

PSRS is not attempting to advise you that you should or should not have income tax withheld from your benefits. That decision is yours. We are furnishing this tax information merely to meet the requirements of the law. If tax withholding or your estimated tax payments are not sufficient to meet your tax liability, you may be subject to penalties and interest charges in addition to your tax obligation.

Individuals receiving Social Security benefits, Social Security disability benefits or benefits from a public retirement system (such as PSRS) are allowed to deduct some or all of those benefits from their adjusted gross income for Missouri tax purposes. Individuals must have an adjusted gross income of \$85,000 or less if single or \$100,000 or less if married and filing jointly to qualify for the maximum deduction.

Social Security recipients can deduct their entire benefit, per adjusted gross income level restrictions. Individuals receiving a retirement benefit from a public plan, including PSRS, are allowed to deduct up to the maximum Social Security benefit available for that tax year. The maximum Social Security benefit available is adjusted for inflation every year at the federal level. Those individuals who receive both Social Security benefits and PSRS benefits will deduct their entire Social Security benefit first, then as much of their PSRS benefit until they reach the maximum deduction.

Visit the Missouri Department of Revenue website <http://www.dor.mo.gov> or call (573) 751-3505 for more information.

If you have any questions about completing the *Missouri Tax Withholding Authorization* form, we recommend speaking with a PSRS representative by calling (800) 392-6848. However, any questions about Missouri income taxes or your tax liability should be directed to the Missouri Department of Revenue, or your tax consultant.

\$5,000 DEATH BENEFIT BENEFICIARY DESIGNATION

This form establishes your beneficiary designation for a lump-sum death benefit of \$5,000 that is payable at your death. The beneficiary designation made with this form applies after your effective retirement date.

If the space provided on this form is not sufficient for your desired designation, please include a dated attachment, which bears your original signature. This designation supersedes and renders void all previous designations of beneficiaries to receive the \$5,000 Death Benefit.

You may designate an individual(s), a trust if one has been legally established, or any other legal entity(ies) to receive this benefit. If you name multiple primary or contingent beneficiaries, they will share equally unless you indicate otherwise. Any payment to a minor or a person who is legally incompetent will be paid to a legally authorized representative of the beneficiary.

This designation relates only to the \$5,000 Death Benefit and does not change the beneficiary whom you may have named under a Joint-and-Survivor or Term-Certain plan, nor does it affect the beneficiary named to receive any balance of unused contributions and interest, if any, remaining in your membership at your death.

This payment is a taxable death benefit distribution.

If you do not have a valid beneficiary designation on file to receive this benefit, payment will be made to your 1) surviving spouse, 2) surviving children in equal shares, 3) surviving parents in equal shares, or 4) estate, in that order of precedence.

PSRS will acknowledge your beneficiary designation. You may also view your beneficiary designation on the PSRS website, www.psr-peers.org.

If you have questions about designating beneficiaries or how to complete this form, we recommend speaking with a PSRS representative by calling **(800) 392-6848**.
