SECTION D BENEFIT PLAN AND BENEFICIARY DESIGNATION

You must choose one of the six plans. Please make your choice by placing an "X" in the box that corresponds to the plan you wish to choose. List beneficiaries only for the benefit plan you choose.

Benefit Plan Descriptions

PSRS offers six benefit plans for monthly benefits. Under all plans, you will receive a lifetime monthly benefit. The benefit plan you choose cannot be changed after your PSRS retirement date.

Single Life Plan:

Provides the largest lifetime monthly benefit to you with no continuing monthly benefits to a beneficiary after your death. Any unused balance of contributions and interest in your membership at your death is paid in a lump sum to your beneficiary(ies).

Joint-and-Survivor Plans:

Provide a reduced lifetime monthly benefit to you with all or some of your benefit continuing for the lifetime of your beneficiary after your death. If your beneficiary dies before you, or if that beneficiary is your spouse and you divorce, your monthly benefit may increase or "pop-up" to the amount payable if you had chosen the Single Life plan adjusted for an increase granted since your retirement date.

Term-Certain Plans:

Provide a reduced lifetime monthly benefit to you and provide limited coverage to your beneficiary for a specific period of time after your PSRS retirement date. The beneficiary receives monthly benefits only if your death occurs within the term chosen. If you die before you receive the minimum number of monthly payments guaranteed under the plan you choose (120-month or 60-month terms), the remaining payments in the term are made to your beneficiary. If the beneficiary named at retirement is your spouse and you divorce, you may apply for your benefit to increase or "pop-up" to the amount payable if you had chosen the Single Life plan adjusted for any increases granted since your retirement date.

Beneficiary Designation

List beneficiaries for the benefit plan you choose. The beneficiary designation made on this application becomes effective on your PSRS retirement date as indicated on this application. If you need additional space to name beneficiaries, you may include a dated attachment, which bears your signature. If you wish to change your beneficiary designation applicable to your membership before your retirement date, the *Pre-Retirement Beneficiary Designation* form must be completed. Please contact our office or download this form from our website.

Partial Lump Sum Option (PLSO)

If you choose the Partial Lump Sum Option (PLSO) under Section E of this application, you still must choose one of the six monthly benefit plans. The **PLSO** allows qualified members to choose actuarially reduced lifetime monthly benefits in exchange for a one-time, lump-sum payment at retirement. The lump-sum payment can be equal to 12, 24 or 36 times your Single Life benefit amount.

PLEASE READ THE MEMBER CERTIFICATION AND PROVIDE YOUR SIGNATURE ON PAGE 5.

SECTION F - MEMBER CERTIFICATION

Please read the following information carefully and indicate your agreement with the following statements by signing your full name in the space provided below. Failure to abide by the rules set forth in Missouri statutes and PSRS/PEERS Board regulations as outlined herein could jeopardize your retirement benefits.

I understand that I must properly terminate pre-retirement employment in order to be eligible to retire and receive PSRS retirement benefits. This includes work performed as:

- An employee for a PSRS covered school district; and
- An employee for third-party providers (such as staffing agencies) or as an independent contractor in a temporary or long-term substitute teacher position, or in any position that normally requires a DESE-issued certificate if the employment is performed at a PSRS-covered school district.

In order for my employment to be considered properly terminated I must:

- 1. End all employment in any capacity with all PSRS-covered employers prior to my PSRS retirement date.
- 2. End all employment for third-party providers (such as staffing agencies), or as an independent contractor, in a temporary or long-term substitute teacher position or in any position normally requiring a DESE-issued certificate if the employment is performed at a PSRS-covered school district prior to my PSRS retirement date.
- 3. Not return to the types of employment outlined above in any capacity for a period of one month after my PSRS retirement date, which includes volunteer work if I later become a paid employee with the same employer in the same, or a similar position, and
- 4. Not enter into any agreement, written or unwritten, for future employment in the above types of employment in any capacity until after receiving my first PSRS retirement benefit. This includes any type of early retirement incentive or separation agreement that requires me to work in any capacity after retirement in return for salary, including health insurance benefits.

After a proper termination, my employment after retirement for PSRS-covered employers is limited and must be tracked. If I exceed the limits, I will notify PSRS. My benefits may be stopped, and I must repay the amount I earned in excess of the limit, or the entire amount of my monthly benefit for any month during which the limit was exceeded, whichever is less.

I understand that if I violate these rules, I am not considered terminated, and I am not eligible to retire and receive benefits. In addition, I will repay any benefits received while ineligible including a Partial Lump Sum Option (PLSO) payment, and may be required to pay contributions on salary until I properly terminate my employment.

I understand that:

- I must file a Service Retirement Application with PSRS prior to my PSRS retirement date.
- The benefit plan I choose on this application is final on my retirement date and cannot be changed thereafter.
- My beneficiary designation on this application becomes effective on my retirement date.
- The beneficiary named to receive lifetime monthly benefits under a Joint-and-Survivor plan, if chosen, may only be changed as described on this application.

I certify that I have read and fully understand the above listed requirements and restrictions, and agree to abide by them. If married, my spouse is aware of the benefit plan chosen on this application. I further certify that all information I have provided on this *Service Retirement Application* is true and correct.

Form W-4P (2025) Page 2

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about any future developments related to Form W-4P, such as legislation enacted after it was published, go to www.irs.gov/FormW4P.

Purpose of form. Complete Form W-4P to have payers withhold the correct amount of federal income tax from your periodic pension, annuity (including commercial annuities), profit-sharing and stock bonus plan, or IRA payments. Federal income tax withholding applies to the taxable part of these payments. Periodic payments are made in installments at regular intervals (for example, annually, quarterly, or monthly) over a period of more than 1 year. Don't use Form W-4P for a nonperiodic payment (note that distributions from an IRA that are payable on demand are treated as nonperiodic payments) or an eligible rollover distribution (including a lump-sum pension payment). Instead, use Form W-4R, Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions, for these payments/distributions. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

Choosing not to have income tax withheld. You can choose not to have federal income tax withheld from your payments by writing "No Withholding" on Form W-4P in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Generally, if you are a U.S. citizen or a resident alien, you are not permitted to elect not to have federal income tax withheld on payments to be delivered outside the United States and its territories.

Caution: If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. If your tax situation changes, or you chose not to have federal income tax withheld and you now want withholding, you should submit a new Form W-4P.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- 1. Are submitting this form after the beginning of the year;
- 2. Have social security, dividend, capital gain, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax;
- 3. Receive these payments or pension and annuity payments for only part of the year; or
- 4. Have changes during the year in your marital status, number of pensions/jobs for you (and/or your spouse if married filing jointly), number of dependents, or changes in your deductions or credits.

TIP: Have your most recent payment statements/pay stubs from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you (or you and your spouse) receive. If you do not have a job and want to pay these taxes through withholding from your payments, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Payments to nonresident aliens and foreign estates. Do not use Form W-4P. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

Tax relief for victims of terrorist attacks. If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, write "No Withholding" in the space below Step 4(c). See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

Specific Instructions

Submit a separate Form W-4P for each pension, annuity, or other periodic payments you receive.

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you have at least one of the following: income from a job, income from more than one pension/annuity, and/or a spouse (if married filing jointly) that receives income from a job/pension/annuity. The following examples will assist you in completing Step 2(b).

Example 1. Taylor, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Taylor also has a job that pays \$25,000 a year. Taylor has no other pensions or annuities. Taylor will enter \$25,000 in Step 2(b)(i) and in Step 2(b)(iii).

If Taylor also has \$1,000 of interest income, which they entered on Form W-4, Step 4(a), then they will instead enter \$26,000 in Step 2(b)(i) and in Step 2(b)(iii). They will make no entries in Step 4(a) on this Form W-4P.

Example 2. Casey, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Casey does not have a job. but receives another pension for \$25,000 a year (which pays less annually than the \$50,000 pension). Casey will enter \$25,000 in Step 2(b)(ii) and in Step 2(b)(iii).

If Casev also has \$1,000 of interest income, then they will enter \$1,000 in Step 4(a) of this Form W-4P.

Example 3. Sam, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Sam does not have a job, but receives another pension for \$75,000 a year (which pays more annually than the \$50,000 pension). Sam will not enter any amounts in Step 2.

If Sam also has \$1,000 of interest income, they won't enter that amount on this Form W-4P because they entered the \$1,000 on the Form W-4P for the higher paying \$75,000 pension.

Example 4. Alex, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Alex also has a job that pays \$25,000 a year and another pension that pays \$20,000 a year. Alex will enter \$25,000 in Step 2(b)(i), \$20,000 in Step 2(b)(ii), and \$45,000 in Step 2(b)(iii).

If Alex also has \$1,000 of interest income, which they entered on Form W-4, Step 4(a), they will instead enter \$26,000 in Step 2(b)(i), leave Step 2(b)(ii) unchanged, and enter \$46,000 in Step 2(b)(iii). They will make no entries in Step 4(a) of this Form W-4P.

If you are married filing jointly, the entries described above do not change if your spouse is the one who has the job or the other pension/annuity instead of you.

Multiple sources of pensions/annuities or jobs. If you (or if married filing jointly, you and/or your spouse) have a job(s), do NOT complete Steps 3 through 4(b) on Form W-4P. Instead, complete Steps 3 through 4(b) on the Form W-4

for the job. If you (or if married filing jointly, you and your spouse) do not have a job, complete Steps 3 through 4(b) on Form W-4P for only the pension/annuity that pays the most annually. Leave those steps blank for the other pensions/annuities.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible Form W-4P (2025) Page ${f 3}$

Specific Instructions (continued)

in this step, such as the foreign tax credit and the education tax credits. Including these credits will increase your payments and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include amounts from any job(s) or pension/annuity payments. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your pension, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 6, if you expect to claim deductions other than

the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes itemized deductions, the additional standard deduction for those 65 and over, and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from **each payment**. Entering an amount here will reduce your payments and will either increase your refund or reduce any amount of tax that you owe.

Note: If you don't give Form W-4P to your payer, you don't provide an SSN, or the IRS notifies the payer that you gave an incorrect SSN, then the payer will withhold tax from your payments as if your filing status is single with no adjustments in Steps 2 through 4. For payments that began before 2025, your current withholding election (or your default rate) remains in effect unless you submit a new Form W-4P.

Step 4(b) – Deductions Worksheet (Keep for your records.)

MISSOURI TAX WITHHOLDING AUTHORIZATION FOR MONTHLY BENEFITS

Use this *Missouri Tax Withholding Authorization* form to authorize the Public School Retirement System of Missouri (PSRS) to withhold Missouri income tax from the taxable portion of your monthly benefits. Please note the following:

- Once you file an authorization, it remains in effect until you file another. However, if you move out of state, your Missouri tax withholding will automatically stop. You can start, stop or change withholding using this form or Missouri form W-4P.
- If your authorization is received by the 15th of the month, it will be processed for the payment issued on the last working day of that month. If you desire the change to be made at a later date, please indicate the effective date on this form.
- We cannot withhold Missouri income tax unless you reside within the state of Missouri and send to PSRS either a Missouri form W-4P or a PSRS form authorizing such withholding.

PSRS is not attempting to advise you that you should or should not have income tax withheld from your benefits. That decision is yours. We are furnishing this tax information merely to meet the requirements of the law. If tax withholding or your estimated tax payments are not sufficient to meet your tax liability, you may be subject to penalties and interest charges in addition to your tax obligation.

Individuals receiving Social Security benefits, Social Security disability benefits or benefits from a public retirement system (such as PSRS) are allowed to deduct some or all of those benefits from their adjusted gross income for Missouri tax purposes. Individuals must have an adjusted gross income of \$85,000 or less if single or \$100,000 or less if married and filing jointly to qualify for the maximum deduction.

Social Security recipients can deduct their entire benefit, per adjusted gross income level restrictions. Individuals receiving a retirement benefit from a public plan, including PSRS, are allowed to deduct up to the maximum Social Security benefit available for that tax year. The maximum Social Security benefit available is adjusted for inflation every year at the federal level. Those individuals who receive both Social Security benefits and PSRS benefits will deduct their entire Social Security benefit first, then as much of their PSRS benefit until they reach the maximum deduction.

If you have any questions about completing the *Missouri Tax Withholding Authorization* form, we recommend speaking with a PSRS representative by calling (800) 392-6848. \$5,000 DEATH BENEFIT BENEFICIARY DESIGNATION

This form establishes your beneficiary designation for a lump-sum death benefit of \$5,000 that is payable at your death. The beneficiary designation made with this form applies after your effective retirement date

If the space provided on this form is not sufficient for your desired designation, please include a dated attachment, which bears your original signature. This designation supersedes and renders void all previous designations of beneficiaries to receive the \$5,000 Death Benefit.

You may designate an individual(s), a trust if one has been legally established, or any other legal entity(ies) to receive this benefit. If you name multiple primary or contingent beneficiaries, they will share equally unless you indicate otherwise. Any payment to a minor or a person who is legally incompetent will be paid to a legally authorized representative of the beneficiary.

This designation relates only to the \$5,000 Death Benefit and does not change the beneficiary whom you may have named under a Joint-and-Survivor or Term-Certain plan, nor does it affect the beneficiary named to receive any balance of unused contributions and interest, if any, remaining in your membership at your death.

This payment is a taxable death benefit distribution.

If you do not have a valid beneficiary designation on file to receive this benefit, payment will be made to your 1) surviving spouse, 2) surviving children in equal shares, 3) surviving parents in equal shares, or 4) estate, in that order of precedence.

PSRS will acknowledge your beneficiary designation. You may also view your beneficiary designation on the PSRS website, **www.psrs-peers.org**.

If you have questions about designating beneficiaries or how to complete this form, we recommend speaking with a PSRS representative by calling (800) 392-6848.
