SECTION D BENEFIT PLAN AND BENEFICIARY DESIGNATION

You must choose one of the six plans. Please make your choice by placing an "X" in the box that corresponds to the plan you wish to choose. List beneficiaries only for the benefit plan you choose.

Benefit Plan Descriptions

PSRS offers six benefit plans for monthly benefits. Under all plans, you will receive a lifetime monthly benefit. The benefit plan you choose cannot be changed after your PSRS retirement date.

Single Life Plan:

Provides the largest lifetime monthly benefit to you with no continuing monthly benefits to a beneficiary after your death. Any unused balance of contributions and interest in your membership at your death is paid in a lump sum to your beneficiary(ies).

Joint-and-Survivor Plans:

Provide a reduced lifetime monthly benefit to you with all or some of your benefit continuing for the lifetime of your beneficiary after your death. If your beneficiary dies before you, or if that beneficiary is your spouse and you divorce, your monthly benefit may increase or "pop-up" to the amount payable if you had chosen the Single Life plan adjusted for any increases granted since your retirement date.

Term-Certain Plans:

Provide a reduced lifetime monthly benefit to you and provide limited coverage to your beneficiary for a specific period of time after your PSRS retirement date. The beneficiary receives monthly benefits only if your death occurs within the term chosen. If you die before you receive the minimum number of monthly payments guaranteed under the plan you choose (120-month or 60-month terms), the remaining payments in the term are made to your beneficiary. If the beneficiary named at retirement is your spouse and you divorce, you may apply for your benefit to increase or "pop-up" to the amount payable if you had chosen the Single Life plan adjusted for any increases granted since your retirement date.

Beneficiary Designation

List beneficiaries for the benefit plan you choose. The beneficiary designation made on this application becomes effective on your PSRS retirement date as indicated on this application. If you need additional space to name beneficiaries, you may include a dated attachment, which bears your signature. If you wish to change your beneficiary designation applicable to your membership before your retirement date, the *Pre-Retirement Beneficiary Designation* form must be completed. Please contact our office or download this form from our website.

Partial Lump Sum Option (PLSO)

If you choose the Partial Lump Sum Option (PLSO) under Section E of this application, you still must choose one of the six monthly benefit plans. The **PLSO** allows qualified members to choose actuarially reduced lifetime monthly benefits in exchange for a one-time, lump-sum payment at retirement. The lump-sum payment can be equal to 12, 24 or 36 times your Single Life benefit amount.

Single Life Plan

☐ Place an "X" here to choose the **Single Life Plan**.

Beneficiary Designation for Lump-Sum Payment of Contributions and Interest. You may name multiple beneficiaries per line. Payment is made to your First Contingent Beneficiary(ies) only if you and your Primary Beneficiary(ies) are deceased. Your beneficiary(ies) can be changed at any time. If you do not have a valid beneficiary designation on file, any benefit due at your death will be paid in accordance with Missouri law.

If you choose a Joint-and-Survivor plan, complete the beneficiary section on this page only.

NOTE: The beneficiary(ies) you designate for the Lump-Sum Payment must be different than your beneficiary for a Lifetime Monthly Benefit (above).

Beneficiary Designation for Joint-and-Survivor Plans

You may name one individual with insurable interest in your life to receive lifetime monthly payments after your death. A spouse, child or parent has automatic insurable interest. You must provide documentation of insurable interest for any other individual. If your beneficiary dies before you, or if that beneficiary is your spouse and you divorce, your benefit may increase or “pop-up” to the amount payable if you had chosen the Single Life benefit plan adjusted for any increases since your retirement.

After your PSRS retirement date, you can only change your Joint-and-Survivor beneficiary if you designate your spouse at retirement, your spouse dies or a divorce occurs, you remarry, **and** name your new spouse as your beneficiary within one year of the marriage. If these conditions are met, your new designation must be for the same plan chosen at retirement, and a recalculation of your benefit will occur based on your age and the age of your new spouse under the actuarial assumptions in effect at that time. In a divorce, your divorce decree must provide that you retain sole right to your retirement benefit. If you do not designate a new spouse, your former spouse remains as your beneficiary. If you designate someone other than your spouse as your Joint-and-Survivor beneficiary, you cannot change your beneficiary designation under any circumstances.

PLEASE READ THE MEMBER CERTIFICATION AND PROVIDE YOUR SIGNATURE ON PAGE 5.

SECTION F – MEMBER CERTIFICATION

Please read the following information carefully and indicate your agreement with the following statements by signing your full name in the space provided below. Failure to abide by the rules set forth in Missouri statutes and PSRS/PEERS Board regulations as outlined herein could jeopardize your retirement benefits.

I understand that I must properly terminate pre-retirement employment in order to be eligible to retire and receive PSRS retirement benefits. This includes work performed as:

- An employee for a PSRS covered school district; and
- An employee for third-party providers (such as staffing agencies) or as an independent contractor in a temporary or long-term substitute teacher position, or in any position that normally requires a DESE-issued certificate if the employment is performed at a PSRS-covered school district.

In order for my employment to be considered properly terminated I must:

1. End all employment in any capacity with all PSRS-covered employers prior to my PSRS retirement date.
2. End all employment for third-party providers (such as staffing agencies), or as an independent contractor, in a temporary or long-term substitute teacher position or in any position normally requiring a DESE-issued certificate if the employment is performed at a PSRS-covered school district prior to my PSRS retirement date.
3. Not return to the types of employment outlined above in any capacity for a period of one month after my PSRS retirement date, which includes volunteer work if I later become a paid employee with the same employer in the same, or a similar position, and
4. Not enter into any agreement, written or unwritten, for future employment in the above types of employment in any capacity until after receiving my first PSRS retirement benefit. This includes any type of early retirement incentive or separation agreement that requires me to work in any capacity after retirement in return for salary, including health insurance benefits.

After a proper termination, my employment after retirement for PSRS-covered employers is limited and must be tracked. If I exceed the limits, I will notify PSRS. My benefits may be stopped, and I must repay the amount I earned in excess of the limit, or the entire amount of my monthly benefit for any month during which the limit was exceeded, *whichever is less*.

I understand that if I violate these rules, I am not considered terminated, and I am not eligible to retire and receive benefits. In addition, I will repay any benefits received while ineligible including a Partial Lump Sum Option (PLSO) payment, and may be required to pay contributions on salary until I properly terminate my employment.

I understand that:

- I must file a ***Service Retirement Application*** with PSRS prior to my PSRS retirement date.
- The benefit plan I choose on this application is final on my retirement date and cannot be changed thereafter.
- My beneficiary designation on this application becomes effective on my retirement date.
- The beneficiary named to receive lifetime monthly benefits under a Joint-and-Survivor plan, if chosen, may only be changed as described on this application.

I certify that I have read and fully understand the above listed requirements and restrictions, and agree to abide by them. If married, my spouse is aware of the benefit plan chosen on this application. I further certify that all information I have provided on this *Service Retirement Application* is true and correct.
