

## PRE-TAX ROLLOVER/TRANSFER CERTIFICATION INFORMATION SHEET

The Public School Retirement System of Missouri (PSRS) is a 401(a) governmental benefit program under the Internal Revenue Code (IRC). Under IRC provisions, we can accept a pre-tax eligible rollover distribution or in-service trustee-to-trustee transfer as a tax-free transaction for the purchase or reinstatement of service. Refer to **Appendix A** for details on eligible rollover distributions and in-service transfers. If you are unsure of your plan type, contact your Authorized Plan Representative.

**IMPORTANT: After-tax or Roth funds cannot be used for a rollover or transfer to purchase or reinstate service.**

A *Pre-Tax Rollover/Transfer Certification* form must be completed in accordance with IRS regulations and returned to PSRS for any such transfer.

### MEMBER INSTRUCTIONS

**STEP 1** Submit a purchase application to PSRS.

A valid purchase application must be on file with PSRS before we can accept a pre-tax eligible rollover distribution or in-service trustee-to-trustee transfer payment.

**STEP 2** Read Appendix A to determine the type of plan or account from which you are rolling funds.

**STEP 3** Fill out Section A of the *Pre-Tax Rollover/Transfer Certification* form:

- Provide your name and contact information.
- Complete the Pre-Tax Rollover/Transfer Information section.
- Read and sign the Member Certification section.

**STEP 4** Send the completed *Pre-Tax Rollover/Transfer Certification* form, the enclosed letter, and the *Authorized Plan Representative Instruction Sheet* to an Authorized Plan Representative to complete and sign Section B and/or to provide alternative documentation on their letterhead confirming the name of the plan, plan type, and that the funds being rolled are pre-tax.

An “**Authorized Plan Representative**” is defined as a plan administrator, plan custodian, contracted financial advisor, or other plan representative, including a school district representative, that has administrative access and authority over the plan and is willing and able to make the certification requested in Section B of the *Pre-Tax Rollover/Transfer Certification* form.

**IMPORTANT:** If your Authorized Plan Representative is unwilling or unable to sign Section B of the *Pre-Tax Rollover/Transfer Certification* form, or to provide sufficient alternative documentation, you will be required to provide additional documentation. In that case, we will contact you to review the documentation required to complete the rollover or transfer.

**STEP 5** Verify before sending:

- That the payment source is from an eligible plan type and that the funds to be rolled are pre-tax funds.
- You have signed the *Pre-Tax Rollover/Transfer Certification* form.
- That an Authorized Plan Representative has signed the form or provided alternative documentation confirming the name of the plan, plan type, and that the funds being rolled are pre-tax.
- That all documentation related to the source plan on the form, documentation from the plan representative, and check stub, is consistent.

## APPENDIX A - PRE-TAX ROLLOVER/TRANSFER CERTIFICATION INFORMATION SHEET

### Eligible Rollover Distributions

Consistent with the IRC, PSRS will accept a pre-tax “eligible rollover distribution” in payment for the purchase of service or for a reinstatement of previously refunded service, provided the money is received from:

Traditional IRAs	<ul style="list-style-type: none"> <li>The pre-tax balance of a traditional Individual Retirement Account or an Individual Retirement Annuity described in section 408(a) or 408(b) of the IRC that is eligible to be rolled over.</li> </ul>
Other Qualified Plans	<ul style="list-style-type: none"> <li>A qualified plan, including a defined benefit pension plan, described in section 401(a) of the IRC.</li> <li>A qualified plan described in section 403(a) of the IRC.</li> <li>A qualified plan described in section 401(k) of the IRC.</li> <li>An annuity contract described in section 403(b) of the IRC.</li> <li>An eligible plan under section 457(b) of the IRC, which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.</li> <li>The member, if the amount was distributed to the member from a qualified plan and is rolled over by the member to PSRS within 60 days of that distribution (i.e., an indirect rollover), and if the member’s check is accompanied by proof of rollover eligibility.</li> </ul>

Eligible rollovers **do not** include:

- After-tax and Roth balances or contributions.
- Any payment that is one of a series of substantially equal periodic payments made over the life or life expectancy of the member or the joint life or joint life expectancies of the member and their designated beneficiaries.
- Any payment that is one of a series of substantially equal periodic payments made for 10 years or more.
- Required minimum distributions under IRC Section 401(a)(9).
- A distribution that is made because legal limits on certain contributions were exceeded (i.e., a corrective distribution).

### In-Service Trustee-to-Trustee Transfers

PSRS can accept an in-service trustee-to-trustee transfer from:

- An annuity contract/plan described in section 403(b) of the IRC.
- An eligible plan under section 457(b) of the IRC, which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

Unlike an eligible rollover distribution, an in-service trustee-to-trustee transfer does not require a distributable event, such as termination of employment. Two requirements, however, must be met to make such a transfer to purchase or reinstate service:

- Your 403(b) or 457(b) plan must allow in-service trustee-to-trustee transfers. You should contact your Authorized Plan Representative to determine if these transfers are allowed from your plan.
- The transfer must be limited to the cost to purchase or reinstate service for which you are eligible. Any amount received in excess of the balance due will be returned by check.
